REMARKS

RETURN TO CIA LIBRARY

25X1 A train of seven flatcars loaded with Soviet tank trucks  
 25X1 came from the direction of Stralsund (N 55/P 44) and  
 25X1 arrived at the Passwalk (N 54/Q 16) railroad station at  
 25X1 2:15 p.m. The train later left in the direction of  
 Berlin. Fifteen soldiers wearing blue epaulets escorted  
 the tank trucks.

25X1 Comment: It is assumed that the tank trucks  
 25X1 arriving in Stralsund were filled with fuel, probably  
 25X1 for jet aircraft. Fuel in tank trucks has also arrived  
 25X1 by rail at other airfields occupied by jet planes. Such  
 shipments from Dresden to airfields in the area of the  
 XII Pz Corps have been seen.

Comment: it is assumed that the  
 trucks were previously stationed there.
